Why Rose Thermos

- Our high-quality products, made of healthy and safe materials, have earned consumers' trust and loyalty.

- Thanks to its distinctive designs, which combine the authenticity of tradition and the convenience of modern practical shapes, Rose thermoses stand out from competing products.

- The wide variety of colors, sizes and designs for both tea and coffee thermoses allows customers to choose from a variety of constantly renewing styles.

- The -3year warranty service created a trusting relationship between the product and the consumer.

- Special care in marketing the product through various means and promoting it through satellite channels, social media and the Internet.

- On the international level, Rose has a series of agents in various countries and regularly attends the largest exhibitions in the world to strengthen its position in international markets.

- The millions of products we sell every year in different countries have created a large base of loyal consumers.

- The availability of thermos accessories with different designs at the brand's agents fulfills our customers' specific needs.
